YOUR PLANNING OBJECTIVES

Please identify the reasons you are considering planning or areas you would like to learn more about (select as many as you wish):

Preserve and Maximize Assets

- ? By minimizing taxes during your life (income taxes, capital gains taxes, estate taxes on inheritances you expect to receive)
- ? By minimizing or eliminating estate taxes upon your death (up to 55% of your assets and life insurance benefits)
- ? By reducing estate administration costs through probate avoidance
- ? Avoid or limit MediCal claims on your assets should you require long-term care
- ? Ensure that a special needs beneficiary has assets that are protected from government seizure while retaining eligibility for needed services
- ? Ensure that your family has enough life insurance to provide a comfortable lifestyle no matter what
- ? By ensuring that your assets are passed to your descendants and not given away to outsiders, such as spouses, creditors or the government

Protect Yourself and Your Spouse

- ? From malpractice or other creditor claims
- ? From conservatorship proceedings (aka “living probate”) if you or your partner become incapacitated
- ? From probate delays and stress upon your death or the death of your partner
- ? From hospital policies requiring life sustaining procedures when you would rather not endure them
- ? From healthcare decisions made by people other than those you trust most

Protect Your Children or other Beneficiaries

- ? From predators who can discover inheritance amounts and target young or vulnerable beneficiaries
- ? From claims of divorced spouses to take half of your child or beneficiary’s inheritance
- ? From malpractice claims, for beneficiaries in the professions
- ? From other creditors’ claims (such as car accident plaintiffs)
- ? From the stress and delays of the average 16-month process of probate
- ? From the financial immaturity resulting in a quick loss of an inheritance
- ? From sharing assets with heirs you would rather disinherit
- ? From litigation claims by disinherited heirs
- ? *For parents only:* from relatives who would be poor, abusive or even dangerous guardians or from foster care
- ? *For parents only:* from acquaintances and relatives who should not be allowed to be alone with your children
- ? *For special needs beneficiary only:* from neglect in the government care system

Take Charge of Your Life ...

- ? Get your financial life organized
- ? Have clarity about your life purpose, goals and dreams
- ? Benefit a charitable organization or activity
- ? Support a common family goal through coordinated planning
- ? Have a plan to leave the world a better place
- ? Leave behind specific intellectual, spiritual, and human assets in addition to your financial assets.
- ? *For parents only:* By specifying the values, insights, stories and experiences you want passed on to your children and how you want the money you leave behind used for your children.
- ? *For special needs beneficiaries only:* By providing instructions, people, and assets to support your special needs beneficiaries above a poverty lifestyle
- ? *For business owners only:* By providing for the orderly continuation and transfer of family business interests rather than a distress sale
